

SUN VALLEY SCHOOL

ANNUAL FUND

WELCOME TO THE 2021 ANNUAL FUND!

This year we need your help to rebuild our fund and restore what makes Sun Valley so special!

Every dollar will work hard to fund amazing things like our new environmental education, enrichment classes, lunchtime clubs, Covid safety supplies, community events, and much-needed teacher and student supplies so that everyone can thrive.

Please consider donating \$750 per child to help cover these costs. If you'd like to give a little more or a little less, we welcome that, too - whatever your family is comfortable giving this year. Every single dollar matters - no gift is too great nor too small!

Sun Valley needs you to make our school stronger than ever!

And don't forget about corporate matching - many employers will double or even triple your gift. Ask your employer today!

Please contact svpledge@gmail.com with any questions.

Thank you!
